*a year like no other*

**UMAR's mission is to promote community inclusion, independence, and growth for adults with intellectual and developmental disabilities through residential, employment, and cultural enrichment opportunities.**

**UMAR began in 1983 serving three young men in one home in High Point, North Carolina. The generosity shown from our community of donors and supporters has fueled UMAR's mission and growth to bring us where we are today. Relying on generous support to assist in fulfilling UMAR's mission, it is our hope that others join together in making future years an even greater success.**
